Prayer Needs—

Selling our home and moving, transition to Kenyan culture. Pray for Pastor Rabe as he transitions from parish ministry in USA to serving as a teacher, chaplain and missionary. Pray for Stefanie for a safe and healthy pregnancy and the health of the baby and as she adjusts to Kenya while also homeschooling three children. Pray for the children as they adjust to moving and living in another country and culture leaving family friends and church home behind.

Financial Needs—

Ongoing financial support during our time of service, funds to purchase a good used vehicle and ongoing housing support that will enable a home to be built for the family and be used for future instructors.
