REDEEMER EVANGELICAL LUTHERAN CHURCH - MISSOURI SYNOD CHICO, CALIFORNIA DECEMBER 2020 VOL. 34 No. 10

from the Pastor...

Rev. Donald Jordan

WE ARE LIVING IN NORMAL TIMES

While the world speaks of normal and the new normal with relation to events, circumstances, and events that affect many people, the church, God's people are always living in normal times because Jesus Christ and His Word do not change.

The Time of Christmas, as indicated in the Church Year, begins on November 29, the First Sunday in Advent, and ends on February 16, the Tuesday prior to Ash Wednesday, which is the beginning of Lent.

Advent begins on the fourth Sunday before December 25, or the Sunday closest to St. Andrew (November 30), and ends at noon on December 24.

The Church Year begins with Advent (from Latin *adventus*, which means coming into). This is a four-week period of preparation before Christmas. The story of Jesus during Advent is the story of hope and expectation, for when the time was just right, God sent His Son, Jesus Christ, into the world to bring forgiveness of sins, eternal life, and salvation. The Advent season teaches us to prepare to receive Jesus by repentance and faith. In Advent, we learn to wait for our coming King.

The color of Advent is blue, which symbolizes heaven, hope, joy, and expectation. The Gloria in Excelsis in the Divine Service is omitted during Advent. The Advent wreath with four candles symbolizes expectation, waiting, and hope. We gather for midweek Evening Prayer, a time of meditation, reflection, Scripture, prayer, and hymns of praise.

The Time of Christmas in the Church Year continues after Advent with Christmas and its season, December 24 – January 5.

Christmas, derived from the term Christ Mass, tells the story of Jesus as the long-awaited King who has finally come to save us. He is born in a manger in Bethlehem to be our Savior.

The season of Christmas continues for twelve days. At Christmas, we worship our God made flesh, the Word incarnate, according to John 1.

We sing the Gloria in Excelsis and join with the angels to proclaim God's mercy and grace in His Son,

Jesus Christ. The color for Christmas is white, symbolizing the deity, eternity, purity, light, and joy of Jesus Christ.

There are several lesser festivals during these days of Christmas; The Festival of St. Stephen, the first martyr, occurs on December 26. St. John, apostle and evangelist, is remembered on December 27.

The death of the babies in Bethlehem is observed on December 28 as the Festival of the Holy Innocents. The circumcision and naming of Jesus on the eighth day after his birth is celebrated on January 1.

Finally, The Time of Christmas culminates in Epiphany and its season, beginning with Evening Prayer on January 5 and ending on the Tuesday before Ash Wednesday.

Epiphany is one of the oldest seasons in the Christian Church Year, second only to the Easter season. The word epiphany means a manifestation of the light, for it manifests God and man in the one person of Jesus Christ. The earliest Christians referred to this festival of Epiphany as the Theophany, the revelation of God. The Magi came to worship the baby Jesus and now all people, both Jew and Gentile, have access to God. Jesus is the new temple. The Epiphany of our Lord is marked on January 6.

Like Christmas, the Epiphany of Our Lord, the Baptism of Our Lord, and the Transfiguration of Our Lord are feast days indicated by the white color. The Sundays after Epiphany symbolize growth by the color green.

Jesus was baptized for us, to bear our sins, and we are given Jesus in our baptism. We have the forgiveness of our sins and salvation given to us in our baptism.

The Feast of the Transfiguration, celebrated on the last Sunday in the Epiphany season, commemorates the moment on the Mount of Transfiguration when three disciples of Jesus were given a glimpse of their Lord, seeing him as the center of the law and prophets, the one who would go to the cross for the sins of the

whole world.

It is traditional on the last Sunday before Lent to say farewell to the singing of Alleluia during Lent. LSB 417, "Alleluia, Song of Gladness" fittingly concludes the Divine Service.

Thank God for the Church Year, which keeps us focused and grounded upon Jesus Christ, for He alone is the normal in our lives in times of trial and tumult. In all things in life, this too, shall pass. The cycles and rhythms of life continue. There is nothing new under the sun. All of life is normal in this broken world. Christ is the Lord of history. He always has a place in our lives and his church will always be present to bring us the gifts of Jesus until we come to glory.

We are bound to the mandate of institution of Christ in all things and for all times. So, rejoice, and give thanks to Him. Come to church. Receive His gifts. Pray for all. Serve one another in love. Spread the gospel. This is the normal time God has given us and He is good.

And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. (Deut 6: 6-7 ESV)

It's normal for our children to be a little hyper this time of the year; however, this year has presented extraordinary challenges for families with the pandemic keeping not only children but many parents homebound. You have probably heard far too many times "I'm bored. There's nothing to do. When will it be Christmas, etc. etc?"

Last month's article talked about Advent and an alternative to an Advent wreath, the Jesse Tree. This month we'll take a look at Chrismons and some possible activities using them.

Here is a link to a site that tells you all about Chrismons, a brief explanation of the symbol, and a download for many of the Chrismon patterns. There is also an FAQ about making Chrismons.

<https://www.whychristmas.com/customs/chrismons.shtml>

On the website there is also a tab for "Christmas Fun and Activities" that has various activities such as word search, coloring pages and some online activities. Please preview for appropriateness for your children.

You may have boxes of your own treasured ornaments that you and your family have collected over the years. With excess stored energy this year, maybe making Chrismons for your own tree (or even a 2nd tree) could be an activity that stretches over several weeks leading up to Christmas and can involve everybody in the family.

Another possibility with the Chrismons would be to create a concentration game. You will need to print out the Chrismons onto a grid (remember you need two sets) that you print out on card stock and then cut up into playing pieces. (Avery has downloadable templates that would be ideal for this project.) This could be a project that your older children might undertake.

When done you have a portable game to take with you in the car, to play while waiting at an appointment, etc. Your children might even use this

game with friends as a way of sharing Christian symbols rather than secular images. Remember to include the brief description.

A variation would be to create flashcards with symbol on one side and explanation on the reverse side. This variation could work with a younger child and an older child who reads.

One last idea would be to make some Chrismons ornaments to give as gifts. Perhaps if you have a family member who is isolated in a care facility you could make a paper tree and a few Chrismons as this could be contained in a large envelope for mailing. The Chrismons could just be printed on white paper, decorated with gold glitter (see the FAQ about materials) and then either put on the tree or left for the recipient to do.

Be creative! Advent is a great time for that.

TECHNOLOGY

Technology Recordings

These last few months have been difficult for many to get to church, let alone Sunday school or Bible study. Thanks to technology we now have both Sunday school and the Thursday Bible study recorded and available on YouTube.

To make it easy to find go to our church website:

<http://www.redeemerchico.org>

At the website, click on the tab Bulletins/Sermons and scroll down until you come to either Sunday school or Bible study.

You can also go directly to YouTube and find the postings there. On the YouTube site you can "subscribe" to the postings and you will be notified when new recordings have been posted.

This is a wonderful use of technology not only for those who cannot attend but for those who had to miss a class to catch up. Also, it is a great tool to be able to go back and revisit a particular class.

Have you ever had the experience of thinking, "what did pastor say about..." on Sunday. Well, under the Bulletins/Sermons tab are the recorded Sunday sermons. These are audio only. So for those times you could not be in church or to go back and refresh your memory and understanding this resource is invaluable. Check it out.

Let technology help you dig out the treasure found in scripture!

QUILTERS

Until such time as we can gather for regular meetings, anyone interested in an "at home" quilt project is asked to leave their name and phone number with the church office. Thank you.

MERCY/HEALTH MINISTRY

BEING A GOOD LISTENER

After many months of concern over the virus and alterations of our lifestyles, many are weary and often times even depressed.

Keeping in touch with our fellow members who are alone and who do not have family to emotionally support them may be a way we can serve.

The number one thing to remember is that we need to listen more than we speak. People need to feel heard and not be told how they should feel. Secondly, we should not launch into a "fix it" mode. Often times they simply want to be listened to.

It is better not to talk over the phone but in these times, it usually is not a choice. For those that have face time, it allows one to more clearly read their expressions and make conversing easier. Don't try to fill silence even if it feels uncomfortable,. It may be better to say something back to them and paraphrase their own words. This makes the person feel as if you understand and that your are really listening.

Interactional starvation is everywhere. Let others know you empathize with how they feel. But most of all, pray for them and just be a good listener,

Each month, we publish the need for blood donations. The need continues and many of us can make a difference by simply making an appointment and donating at Vitalant. Safety is one of their concerns and measures are taken within their facility to make donating as safe as possible.

Vitalant is now providing results to donors for antibodies to COVID-19. The need remains great for donations. Call Vitalant directly for an appointment at 893-5433 or www.vitalant.org

Requirements are that one needs to be in good health, sixteen years or older. Body weight must be 110 or more. No upper age limit. Good hydration and nutrition is important.

CIRCUIT PASTOR MEETING

On Martin Luther's birthday, November 10, 2020 the pastors of Circuit 12 met at Our Savior Lutheran Church, Paradise for their quarterly circuit pastors meeting and the circuit forum. Only one lay delegate, Aaron Ashworth, Redeemer, Chico, attended. Each church is to be represented by a pastor and layman. The election of Circuit Visitor Pastor Brian Cummins, Trinity Lutheran Church, Redding, was made, as he was the only nominee. Pictured are (with construction in background) L-R, Pastor Sylvan Finger, Willows/Corning, Pastor Donald Jordan, Chico, Pastor Brandon Merrick, Paradise, Rev. Robert Roberts, Chico/retired, and Pastor Brian Cummins, Circuit Visitor, Redding. The group prayed Morning Prayer and heard reports from the Circuit Visitor, Pastor Cummins. The day concluded with a tour of the new church building, under construction. Almost with most of Paradise, the church building was destroyed in the November 8, 2018 Camp Fire.
